

Presidents Report 2019-2020
Community Museums Association
Annual General Meeting
June 22, 2020

It has been my pleasure to serve as president over the past year. I would like to thank my board and Johanne Vigneault for their hard work in making our Community Museums what they are today. I am looking forward to visit as many of our member sites the summer.

Currently we are facing very uncertain times. With COVID-19 we do not know if there is an end in sight? It will certainly change the way we do business in the future. Our organization will continue to provide you with the tools and hopefully the resources you will need to open and operate safely.

We will also be in contact with the Provincial Department of Tourism as we go forward to promote our museums to Islanders vacationing at home.

At this time, I would like to thank Johanne and Velma for their work. I would also like to assure you that we will be doing everything we can to help us get through this pandemic. If there is anything we can do please feel free to contact us at any time.
