### **Job description**

- The team of guide interpreters welcome visitors in English and or in French at Jean-Pierre Roma National Historic site with a brief history about the French settlement of the 1730s.
- Perform interpretive duties in period costume including themed interpretation, outdoor guides tours and authentic activities daily.
- Serve and interpret the heritage daily lunch, collaborate with the board in all revenue generation activities on and off site as well as with social media.
- Take part in training programs conducted by volunteers and employees. Contribute to program evaluation including on-site observation, visitors surveys and recording visitors comments.

### **Skills/previous work experience required for the position:**

- Demonstrate confidence in ability to make public presentations and be enthusiastic about history and culture.
- Work experience in a tourism operation, museum or hospitality operation greeting visitors, providing interpretive presentations or hosting events is an asset.
- Candidate must be willing to work in 1700s period dress supplied by the employer.
